RUMP

Rump steaks are often considered the best for flavour and as such are very versatile. They are slightly less tender with more texture than a sirloin, but are usually a little cheaper.

8oz | £14.95
12oz | £18.95

SIRLOIN

Sirloins have an excellent balance of flavour and tenderness and sit just above the fillet, so best served medium rare.

10oz | £20.95

FILLET

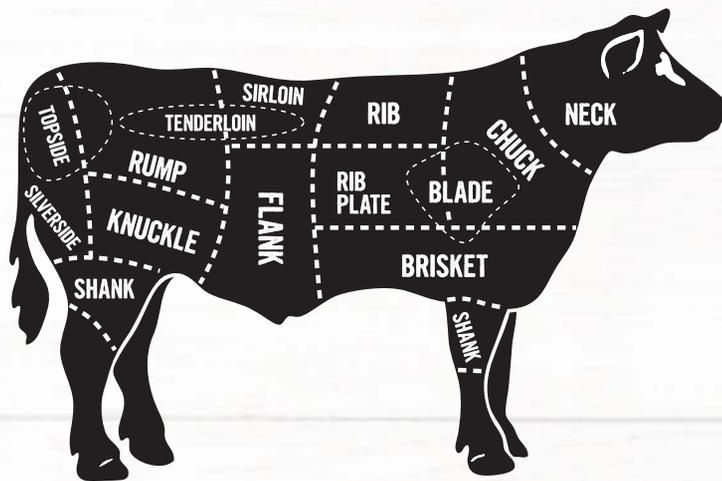

Fillet is the leanest and most tender cut as it's the laziest muscle on the cow; a real 'melt in the mouth' steak.

8oz | £24.95

T-BONE

A large steak for steak lovers, taken from the whole sirloin. On one side of the T-bone is a piece of lean fillet; on the other is a classic sirloin steak.

16oz | £20.95

RIBEYE 8oz | £15.95 12oz | £20.95

Rich with marbling and traditionally matured, ribeyes have plenty of fat running through them, which helps maintain extra juiciness. It also helps keep the steak tender if it's cooked for longer, so ribeyes are perfect for those who prefer their steak cooked medium or even well done.

MIXED GRILL £21.95

6oz steak, lamb chop, 6oz gammon, two sausages, grilled liver, two slices of black pudding, egg, tomato & onion rings. Oh, and we forgot to mention the chips.

THE DINE & STAY DEAL AT THE RYLES

A special feature of the Ryles Arms' accommodation is our unique Dine & Stay deal.

For £130 per couple, you'll be treated to a three course meal from the menu or specials board (and yes, this includes our fillet steaks!), a nights stay in our luxury barn conversion and, to top it off, a full English breakfast in the morning – All that's left to pay for are your drinks!

It's great for spoiling your loved one or, as part of a group, having a night out without the hassles of mini-cab costs or one of you being the designated driver home. You can also purchase as a voucher.

For Dine & Stay in the Superior Room, there is an additional charge of £30.00.

We also own The Brownlow Inn just on the outskirts of Congleton, and a mere stone's throw away from Little Moreton Hall.

Our Big Brother, as it's affectionately called due to the thousand plus customers it serves each week (we're nearly there!), offers a similar menu to our own but in a very different environment.

So, if you are in the area and are looking for somewhere to dine, we can highly recommend our, soon-to-be, Little Brother!
