Rump steaks are often considered the best for flavour and as such are very versatile. They are slightly less tender with more texture than a sirloin, but are usually a little cheaper.

Fillet 8oz £27.95

Fillet is the leanest and most tender cut as it's the laziest muscle on the cow; a real 'melt in the mouth' steak.

Ribeye 10oz £20.95

Rich with marbling and traditionally matured, ribeyes have plenty of fat running through them, which helps maintain extra juiciness. It also helps keep the steak tender if it's cooked for longer, so ribeyes are perfect for those who prefer their steak cooked medium or even well done.
